

Club Information

The Doncaster Camera Club Inc. was founded in November 1955. Since then, members have enjoyed companionship while helping fellow photographers develop their hobby.

Our regular monthly program includes print and digitally projected competitions and presentations on photographically related topics.

These competitions are in three sections being:

- Small Prints - home or laboratory processed up to 20 x 25cm, including mount.
- Open Prints - home or laboratory processed prints up to 40 x 50 cm, including mount.
- Projected Images up to 1024 x 768 pixels. Slides submitted will be scanned.

Up to 3 entries in each section may be entered by each member. Points are awarded out of 100 and an individual member's top 20 entries in each year for each section count toward the aggregate award in each section.

In addition to the annual aggregate competitions, trophies are awarded in the following sections:

- Ron Johnson Memorial Trophy for the best landscape or seascape projected image.
- Ed Conway Memorial Trophy for the best landscape or seascape print.
- Ralph Petty Perpetual Trophy for the Small Print of the Year. Awarded for the best small print entered in the preceding 12 months.
- Fred Schult Memorial Trophy for the Open Print of the Year. Awarded for the best print entered in the preceding 12 months.
- Denis Thompson Memorial Trophy for the Projected Image of the Year, awarded for the best projected image entered in the preceding 12 months.
- FrameCo Trophy for Best Monochrome Print awarded in November.

The aggregate awards are made in April and the remainder are made in December of each year.

Meetings

The Club usually meets at 8 pm on the 3rd Friday of each month at **Manningham Uniting Church, Westfield Drive Site, Doncaster.**

Visitors are most welcome to come to one of our monthly meetings and discuss membership details.
