

Club Information

The Doncaster Camera Club Inc. was founded in November 1955. Since then, members have enjoyed companionship while helping fellow photographers develop their hobby.

Our regular monthly program includes print and digitally projected competitions and presentations on photographic related topics.

Monthly Competitions are in three sections

- Small Prints - up to 20 x 25 cm, with mount.
- Open Prints - up to 40 x 50 cm, with mount.
- Projected Images up to a specified maximum number of pixels and image size.

Members may enter 3 entries in each section and points are awarded out of 100. A member's top 20 entries in each year count toward the Club's Aggregate Awards in each section.

The Annual Aggregate Awards are presented at the AGM in April.

End of Year trophies are awarded in December for the best entries of the preceding 12 months:

- Ralph Petty Perpetual Trophy for Small Prints
- Fred Schult Memorial Trophy for Open Prints
- Denis Thompson Memorial Trophy for Projected Images

Trophies are presented in the following areas:

- Ron Johnson Memorial Trophy for the best landscape or seascape projected image.
- Ed Conway Memorial Trophy for the best landscape or seascape print.

A monochrome competition is held in November and the Kay Mack Perpetual Trophy for **Best Monochrome Image** is awarded.
